Education

Class/ Degree	University/ Board	Year of Passing	% or Grade
B. Tech. CSE	Galgotias University	2024	8.37 CGPA ~ 80%
12 th Class	CBSE	2020	80.8%
10 th Class	CBSE	2018	80%

Skills

Proficient in Java, MySQL, Data Structures & Algorithm, OOPs, OS.

Familiar with C | C++ | GitHub | OpenCV | Web Development (Especially Frontend Development).

Work Experience

Internship At AICTE - EduSkills internship | [Certificate links →](#) [AI-ML](#) | [Data analytics](#) | [Cyber Security](#)

- AI-ML and Data analytics virtual internship by AWS
- Cyber Security virtual internship program by CISCO
- Developer virtual internship

March – September 2022
January – March 2022

Training At INCAPP **November 2022 – February 2023**

- Completing the Incapp training on **Java Core Technology Program**

Training At TalentNext **May – September 2023**

- Completed Wipro Java Full Stack Training with 4 Milestones.
- Achieved consistent scores above 80% in all milestone tests.

Projects

→Automatic License Number Plate Recognition **September 2022**

An OpenCV project to recognize license number plates which help us to uniquely identify the vehicle or vehicle owner.

- Supervised team of 3 people to design and develop.
- We designed the website for an attractive interface.

→Personal Portfolio **January 2023**

A simple resume format made by using HTML, CSS, and Bootstrap.

- It is a way to showcase your skills and experience, build your brand, and track your progress over time.

→Hand Sign & Gesture Recognition System **July 2023**

To improve communication between deaf communities and others.

- For this project OpenCV module is used to record live footage from a device camera. And Convolutional Neural Network (CNN) will recognize gestures after some pre-processing of input data from input devices.

Academic and Extracurricular Achievements

- Completed DSA Course on Geeks for Geeks with 1350+ score in contest. **Sept- Nov 2023**
- Certification Exam for the Fundamentals of Digital Marketing. **August 2021**
- Oracle Database Programming with SQL course completion certification. **November 2021**
- Participated in Flipkart Grid 4.0. **August 2022**
- Certified for the completion of the Infosys Springboard with Java SE, DSA. **November 2022**
